4. I asked [ ] to give me an Office of Logistics estimate as to what it would cost to put the [ ] in shape for use by the Technical Services Staff. I also asked [ ] to re-evaluate the security risk in placing the [ ] of the Technical Services Staff at the [ ] and to give me a report on their findings. 25X1A

5. [ ] reported that the National War College would request a CIA briefing for their students next year. The briefing would be on our premises and be followed by an Intelligence Products Exhibit.

6. Approved of an increase of one auditor position for [ ] in the [ ] Station.

7. Nominated [ ] to serve as the representative of the Office of the Deputy Director (Support) on the Personnel Placement Committee which Gordon Stewart is organizing to make recommendations concerning the assignment of hard-to-place people.

8. [ ] telephoned to invite me and Gates to an exhibit of photographic
